

# Extended Paper Submission Deadline

## The 4<sup>th</sup> International Conference on Emerging Trends in Electrical, Electronic and Communications Engineering

*Technically Co-sponsored by IEEE*

November 22-24, 2022, Republic of Mauritius

Following the successful previous editions of the International Conference on Emerging Trends in Electrical, Electronic and Communications Engineering (ELECOM), we are delighted to announce that the 4<sup>th</sup> edition will take place in the volcanic Island of Mauritius, famous for its pristine white beaches, turquoise lagoons as well as its cultural diversity and harmony. ELECOM 2022 is the premier event that brings together scholars from industry, academia, and a wider community of scientists to exchange information and ideas on electrical, electronic, communications engineering and computing. The conference will feature a comprehensive technical program offering invited lectures and numerous technical sessions with papers showcasing the latest technologies, applications and services. The presented papers will be indexed and published by IEEE Xplore.

Research themes for ELECOM 2022 include, but are not limited to:

### Track A – Emerging Trends in Electrical Engineering

- A1 - Electrical Machines, Automation, Instrumentation and Control
- A2 - Smart Grid, Renewable Energy and Storage Technologies
- A3 - Power Systems and Power Electronics

### Track B – Emerging Trends in Electronic Engineering

- B1 - Digital Signal and Image Processing and Machine Learning
- B2 - Digital System, Logic Design, Mechatronics Engineering, Integrated and Embedded systems
- B3 - Opto-electronics, Biomedical devices, sensing and measurement

### Track C – Emerging Trends in Communications Engineering

- C1 - Internet of Things and Next Generation Networks
- C2 - Mobile and Wireless Communications
- C3 - Communication Theory and Signal Processing

### Track D – Emerging Trends in Computing/IT

- D1 - Cloud Computing, Big Data Analytics, Quantum Computing and Security
- D2 - Web and Educational Technologies, Mobile Applications and Social Networks
- D3 - Intelligent Systems for Multimedia Computing and Control

## Organising Committee

### International Chairs

Saeid Sanei

Hongjun Xu

Kalyanmoy Deb

### General Chair

Robert T. F. Ah King

### General Co-Chair

Tulsi Pawan Fowdur

### Secretary

Yatindra Ramgolam

### International TPC Chairs

Zoran Bojkovic

Nikola Djuric

Dragorad Milovanovic

### Paper Submissions Chair

Visham Hurbungs

### Review Committee Chair

S Z Sayed Hassen

### Publication Chair

Sameerchand Pudaruth

### Registration and Finance Chair

Vandana Basso

### Website & Database Chair

Anshu Prakash Murdan

### Local Arrangement Chairs

Rameshwar Jugurnauth

Vishwamitra Oree

### Publicity Chairs

Avinash Mungur

Vishwamitra Oree

### ITPC Member

Ogbonnaya I. Okoro

## Paper Submission Policy

Full length original research contributions are invited for submission to ELECOM 2022. Submissions, not exceeding 6 pages, and formatted based on the provided IEEE template should be submitted in PDF through the conference submission system. All the presented papers will be published and indexed by IEEE Xplore.

## Key Dates/Deadlines

Proposal for Special Sessions:	<b>15 June 2022</b>
Special Sessions Acceptance:	<b>30 July 2022</b>
Regular paper submission:	<b>15 July 2022</b>
<b>Extended Deadline:</b>	<b>15 Aug 2022</b>
Notification of acceptance/rejection:	<b>30 Aug 2022</b>
Final manuscript submission:	<b>15 Sep 2022</b>
Early bird registration:	<b>30 Sep 2022</b>
